

HAVELOCK™ ELITE

DIRECT VENT GAS STOVE

GDS50

BUILT TO PERFORM. DESIGNED TO FIT BEAUTIFULLY.

The Havelock™ Elite Gas Stove blends modern, traditional stove styling with the convenience and performance of modern gas heating, delivering the timeless charm many homeowners love with today's reliability and ease. Built with Napoleon's proven, durable heating system, it provides dependable warmth and long-lasting performance. An improved burner system delivers powerful heat, while the included blower helps circulate warmth evenly throughout the room. Customize the look with square or arched decorative door options and choose between a pedestal base or feet to suit your space and style. With simple controls, realistic flames, and enduring design, the Havelock™ Elite brings both comfort and classic character to any home.
